WOMAN HANGED FOR MURDERING HUSBAND

Important Murder Case of Vermont Closed.

CRIME WAS COMMITTED IN 1902

Woman Had Remarkable Career and Seemed to Have Strange Influence on Those She Met—Petitions for Clemency Were of No Avail.

Windsor, Vt., Dec. 9—Mrs. Mary Mabel Rogers was hanged at the Vermont state prison at Windsor at 1:13 this afternoon for the murder of her husband, Marcus Rogers. Mrs. Rogers was pronounced dead by the prison officials at 1:27 p. m.

For a second time Windsor is crowded with strangers who have sought the vicinity of the death scene of Mary Mabel Rogers, whose execution was set for the hour between noon and 1 o'clock today. Few received permits to actually witness the hanging. Hope for the condemned woman was practically abandoned today. The sheriff's deputy chosen to spring the trap, arrived during the night and conluding arrangements were promptly made. Awaiting Governor Bell's arrival at 6 o'clock this morning at White River Junction, a few miles north of here, were Mrs Rogers' attorneys ready to make the final legal plea in her beha

Mrs. Jessie Patton, of Cincinnati, armed with a petition for clemency signed by thousands of women, had also come from Rutland and awaited the executive.

Remarkable Career.

The career of Mrs. Rogers has been a remarkable one. A wife at 16 and a murderess at 19, and but 22 at the day of her death. Ignorant and depraved, she had a strange influence on those she met and her admirers were many. In 1902, having won the affections of three men, she encompassed the death of her husband, Marcus H. Rogers, with the aid of another admirer, Leon Perham, to the end that she might marry a third lover, Maurice Knapp. Perham confessed, and he is serving a life sentence here.

Mrs. Rogers was born in Hoosick Falls, N. Y., and when married removed to Bennington, Vt., where the murder was committed.

Story of the Crime.

The crime for which Mrs. Mary Mabel Rogers was sentenced to death was the murder of her husband at Bennington, Aug. 13, 1902.

At the time the crime was committed Mrs. Rogers was only 19 years old. She had been separated from her husband for some time, and was desirous of marrying a young man named Maurice Knapp. On the day of the murder Marcus Rogers went to Bennington to visit his wife, and that night she arranged to meet him in the woods near the Walloomsac river. While caressing him she induced him to allow her to bind his hands, and while he was powerless she chloroformed him. In this she was aided by Leon Perham, a half-witted boy, who was the son of the woman with whom she was boarding. Another woman, Estelle Bates, was present. After chloroforming Rogers, Perham and Mrs. Rogers rolled the body into the river, where it was found the next day. In order to divert suspicion, the woman wrote a note to which she signed her husband's name, giving the impression he had committed suicide. Immediately after the murder Mr. Rogers endeavored to collect her husband's life insurance, amounting to $500, and also made arrangements to purchase furniture for the house where she expected to live when she married Knapp.

A few days after the murder Mrs. Rogers, Perham and the Bates woman were arrested. Perham made a complete confession and both he and Mrs. Rogers were found guilty of murder in the first degree. Perham was sentenced to imprisonment for life, while the verdict in Mrs. Rogers' case was death on the gallows.

Residence and Cotton Burned.

Sparta, Ga., Dec. 9.—At Arcberton, 10 miles southeast of Sparta, Mrs. Green P. Archer's dwelling, outhouses and 30 bales of cotton were destroyed by fire Thursday morning. The property was partially insured.

"NOT GUILTY," DECLARED JURY

Man Charged with Conspiracy Is Given His Liberty.

Columbus, Ga., Dec. 9.—The jury in the Peterman case, after being out three hours, brought in late Thursday afternoon a verdict of not guilty.

The verdict was received with tears of joy by Mrs. Peterman and two little girls. Quite sensational was the defense in the case of J. T. Peterman, of Taylor county, Georgia, whose trial on the charge of conspiracy ended in the United States court here.

Peterman was charged with having conspired against the life of Frank Wilcher, a government witness in an illicit distilling case, who was shot to death on the streets of Butler, Ga., in December, 1903, by Ben S. Garrett. It was claimed by the government that Garrett, Peterman and John Bateman were jointly interested in illicit distilling, and that they conspired to get Wilcher out of the way because he was the government's informer and main witness against them. Garrett escaped after the killing, and has not yet been captured.

The defendant yesterday placed on the stand Mrs. Ben S. Garrett, who testified that Frank Wilcher came to her house and offered her a drink of whisky. She declined, and he then made her an improper proposal, she says, and offered her $10 as compensation. She told her husband of the insult that had been offered her, and he hunted up Wilcher and killed him.

WANTS MONEY RETURNED.

Mrs. Young May Sue Coates for a Good Sum of Money.

Macon, Ga., Dec. 9.—Although she declared to a jury that she never paid $100 to Frank Coates, an insurance agent, for a premium on a $6,000 policy, and the jury believed her and acquitted her of the charge of fraudulently impersonating another, Mrs. Maggie Young now wants the $100 in question, will file a petition in the superior court, asking that Coates be compelled to turn the money over to her.

During her trial Mrs. Young was charged with having impersonated Mrs. Mary Hinson, in an attempt to fraudulently take out a policy with the New York Life and Coates swore that she had paid him the money.

On the strength of Coates' testimony, Mrs. Young now wants the money.

Coates admits that the money does not belong to the New York Life, but he doesn't know what to do with it. It was given him by a woman calling herself Mrs. Mary Hinson, and he says that woman was Mrs. Young.

The jury evidently believed Mrs. Young when she denied this, and the affair is in a tangle.

New Orders from War Department.

Washington, Dec. 9.—Orders have been issued by the war department providing that searchlights at military forts will not be thrown in night drills upon any vessels except those provided with government artillery. It is ordered that if a light is thrown upon any other vessel it will be removed as soon as it is discovered that the vessel is a private one, or as soon as an alarm whistle is blown. This order is to prevent an interference in the navigation of vessels.

To Reduce Naval Force.

Washington, Dec. 9.—Reduction of the American naval force in Dominican waters from a squadron of protected cruisers to a "mosquito fleet" of gunboats, has been determined upon by the president, with whom Mr. Bacon, the assistant secretary of state, had a conference on the subject Thursday night.

Found Dead in the Woods.

Lavonia, Ga., Dec. 9.—John Q. A. Black, who lived 2 miles from Lavonia, in Hart county, was found dead in the woods near his home where he had gone to cut wood early in the morning, by a party of searchers at 7 p. m. Wednesday. The coroner's inquest indicated death from natural causes. He was 81 years old.

WALKER HANGED FOR FIENDISH CRIME

Paid Penalty of Death for Criminal Assault.

CONFESSED TO AWFUL DEED

Mob Captured Prisoner and Prepared for Vengeance When Sheriff Promptly Rescued Him—Special Term of Court Called to Try Prisoner.

Atlanta, Dec. 9.—Jim Walker, self-confessed assailant of Mrs. G. W. Moore, of Brookwood, near Atlanta, who was rescued from a mob by Sheriff Nelms and who quickly tried and convicted on his own startling admission that he was the right negro, was hanged at the Tower by Sheriff Nelms Friday morning.

Walker reiterated his confession to the last, and the night before his execution, he had professed conversion, and had declared that he was ready to die and unafraid.

There was no hitch in the arrangements. The rope had been tested, and all preparations had been made. The execution was private, only G. W. Moore, husband of the victim of Walker's assault, his two sons, John and Cliff, the negro's counsel and physicians, and representatives of the newspapers having been granted admission to the jail by Sheriff Nelms.

Walker's arrest, following the assault on Mrs. Moore, his prompt identification by her, the efforts of the officers to take him to town, and the determined efforts of a mob of Brookwood people, armed and determined, to lynch the prisoner; followed by his rescue by Sheriff Nelms, his speedy trial, his dramatic confession and now his execution, complete a story of a crime hardly without a parallel.

History of the Crime.

The crime for which Walker paid the penalty Friday morning was without a parallel in the history of the state. In bread daylight on Thursday morning, Oct. 26, Walker criminally assaulted Mrs. Alice Moore, wife of G. W. Moore, who lives on Peachtree road near Brookwood, in a turnip patch within a stone's throw of her home, and in sight of a store which was kept by Mrs. Moore's husband.

Walker fled after he had committed the assault. Posses were quickly formed and sent out in every direction to apprehend the assailant. Although a pack of bloodhounds followed several trails, nothing could be learned of the negro. Several persons claimed to have seen the negro, and although a number of suspicious persons were taken in custody, none was identified by Mrs. Moore as her assailant.

Arrested in Fairburn.

Friday after the crime had been committed Marshal Stephens, of Fairburn, arrested a strange negro named Jim Walker. The negro was kept in the Fairburn jail for nearly ten days after the crime was committed. When he was carried in the presence of Mrs. Moore she positively identified Jim Walker as her assailant.

Immediately after the identification a crowd secured Walker from Marshal Stephens and Sheriff Wilkerson, who had him in custody. Threats of lynch were made and the negro was roughly treated, finally being rescued by Sheriff Nelms, who, having heard of the identification of Walker, hurried to the scene in an automobile. Sheriff Nelms pleaded with the mob, and with Mr. Moore's consent, the prisoner was given into custody of Sheriff Nelms.

A special term of court was called by Judge Roan, of the superior court, and the negro was given every means of justice. Three of Atlanta's most well known lawyers were appointed as Walker's legal advisers. The negro plead guilty, and sentenced was passed upon him.

DIVISION MADE OF REWARD.

Everybody Who Helped Capture Walker Will Get Something.

Atlanta, Dec. 9.—Governor Terrell has reached a conclusion as to who should be paid the reward offered by the state for the capture of Jim Walker, alias Will Brice, who was wanted for criminal assault upon Mrs. G. W. Moore.

The rewards offered by the state was $250, and this was the only amount with which the governor had to deal. It has been decided, however, by those interested that the other rewards should be paid in the same manner as that offered by he state, so that Governor Terrell's finding practically controls as to the division of the other rewards, amounting to $400, of which $200 was offered by Mr. Moore and his son, and $200 by a number of prominent citizens of that section. The total reward to be divided, therefore, is $650.

There were a number of claimants for the rewards.

JUDGE CANDLER TO RESIGN.

Expected He Will Leave the Supreme Court January 15th.

Atlanta, Dec. 9.—Associate Justice John S. Candler, of the supreme court, will, in all probability, tender his resignation from that bench to take effect Jan. 15, 1906.

While Justice Candler has not reached a definite conclusion regarding the matter, he has it under serious consideration.

When asked about the matter Justice Candler said he preferred not to discuss it further than to say he had had the matter of resigning under consideration for some time, his physicians having advised him against much longer continuing the confining work which the duties of the supreme bench impose.

It has been reported that several flattering business offers have been made recently to Justice Candler.

Justice Candler's only son, Asa Warren Candler, now a law student at the University of Georgia, will become of age in January, and upon the completion of his law course will take up the practice of law here. In the even Justice Candler leaves the bench, it is understood to be his intention to associate his son with him in the practice of his profession.

On Jan. 15 next Justice Candler will have completed ten years' service on the bench. He is now in the third year of his service on the supreme bench.

MARKS PLACE WHERE THEY DIED

Unveiling of Shaft Erected by Pennsylvania at Andersonville.

Andersonville, Ga., Dec. 9.—In the presence of nearly 500 men who were prisoners at Camp Sumter, the monument erected in the Andersonville prison park to the dead of Pennsylvania was dedicated Thursday by Governor Pennypacker, and was by him formally handed over to the United States government, represented by General E. A. Carman, chairman of the Chickamauga National Military Park commission.

A large number of Americus people attended the ceremony, the Central of Georgia railroad furnishing free transportation on a special train for all who desired to come from that city.

Among the visitors were many Pennsylvania veterans and a number of former confederate soldiers. The best of feeling prevailed.

The two officers embarked in a lifeboat and came to Che Foo to seek assistance.

The Japanese consul here has telegraphed for a man of war to rescue the helpless vessel. Some British officers are aboard the transport.

GROWING STORM FAST APPROACHING

Witte Powerless to Cope With Elements of Danger.

REVOLUTION ON EVERY HAND

Russia Trembles on Very Brink of Dissolution and the End of Dynasty Appears To Be Almost Inevitable—Soldiers Are Mutinous.

St. Petersburg, Dec. 6, via Eiykuhnen, East Prussia, Dec. 8.—Public confidence in the government's ability to weather the growing storm is waning fast.

Premier Witte seems powerless to cope with the new elements of danger which the revolution is raising on every hand. New mutinies among the troops are constantly reported and the lawlessness in the country is increasing.

The immediate danger confronting the government is a concerted attack on the country's credit. The public fear that the government can be forced to suspend gold payments increases daily. This would be the crowning achievement of the revolutionists who are satisfied with the attending financial crash the whole house would come tumbling down. The chances of driving the government into bankruptcy they profess to believe would be materially increased if the confidence of the foreign holders of Russian obligations was undermined, and the news that the French investors, who were unloading their foreign indebtedness, was received with jubilation by the revolutionists.

Soldiers Are Mutinous.

At Kharkoff 5,000 soldiers have agreed not to fire on the people, and at Rostoff the Third Genadier artillery, consisting of 400 men, has held a meeting and formulated demands. Similar action, it is reported, has been taken by the military engineers at Odessa and by the troops in several places in the Baltic province.

The declaration of martial law in Livania is due to agrarian troubles. Large bands of peasants are marching and pillaging. It is reported that Dorpat is in flames.

Emperor Refuses Witte's Resignation.

Berlin, Dec. 8.—8:22 p. m.—A dispatch to the Tageblatt from St. Petersburg dated yesterday and received here today, by way of Edykuhnen, East Prussia, says Premier Witte has given his resignation to the emperor, who refused to accept it.

Railroad Men Strike

Warsaw, Russian Poland, Dec. 9.—Advices received here today from Riga and Orloff say that the railroad men at various places struck last night as a protest against the proclamation of martial law in the Baltic provinces. Similar news comes from Samaria because of the proclamation of martial law.

WILL ERECT THE MONUMENT.

Gainesville Women Will Unveil a Shaft to Confederates.

Gainesville, Ga., Dec. 9.—At a large and enthusiastic meeting of the Longstreet chapter, Daughters of the Confederacy, held at the residence of the president, Mrs. C. C. Sanders, on motion of Mrs. Longstreet the chapter voted almost unanimously to erect the confederate monument on which they have been at work for some time, and unveil it on next Memorial day.

The funds now in hand are more than sufficient for a mosument that in beauty and dignity will worthily commemorate the valorous deeds of the men who fought and lost some forty years ago.

Store Burned; Warehouse Saved.

Fayetteville, Ga., Dec. 9.—W. L. Smith's store was burned Wednesday night. The entire stock of goods was consumed, amounting to $3,000, with $2,000 insurance. The store adjoined a cotton warehouse with 2,000 bales of cotton stored therein and it was by good work that it was saved.

FOURTH WEEK ENDS FALL TERM COURT

Fletcher Watson and Other Murderers Sent Up for Life.

WHISKEY CASES WERE GALORE

Large Number of Offenders in Whiskey Traffic Were Convicted and Dealt With Severely—Expensive Term.

After four weeks of hard and constant work, the fall term of the circuit court, Eighth Judicial Circuit, adjourned at 8 o'clock Saturday night for the term.

The last case to be brought before the court was that of the State vs. Fletcher Watson, colored, charged with the murder of Garrett V. Chamberlain, which occupied the attention of the court for three days. The testimony in this case being in Saturday morning, argument was begun, and lasted until late Saturday afternoon, when Judge Wills made his charge to the jury. The jury was out only fifteen minutes, when a verdict of guilty of murder in the first degree with a recommendation to mercy was returned.

At the supper hour the court adjourned until 7:30, when the following prisoners, convicted at the present term of the court, were sentenced:

State vs. James Henry, murder, State prison for life; State vs. Robert Cook, rape, State prison for life; State vs. A. J. Whittey, larceny, eighteen months; State vs. A. Bryant, larceny, five years; State vs. A. Bryant, larceny, (second count) five years; State vs. John H. Green, murder, life; State vs. J. Shedd, selling liquor in dry county, $200 or six months; State vs. Judge Knight, selling liquor in dry county, $500 or one year; State vs. Dan Edwards, selling liquor in dry county, three counts, first count $500 or one year, second and third counts $1 and costs in each count; State vs. Will Brown, selling liquor in dry county, $25 and costs or sixty days; State vs. Jerry Carter, selling liquor in dry county, $100 or four months; State vs. Andrew McDuffie, selling liquor in dry county, $100 or four months; State vs. John Holmes, selling liquor in dry county, $50 or sixty days; State vs. Charley Williams, breaking and entering, five years; State vs. S. T. Moulton, selling liquor in dry county, $50 or sixty days; State vs. James McNeal, selling liquor in dry county, $200 or six months; State vs. Charley Roberts, selling liquor in dry county, two counts, first count $500 or one year, second count $1 and costs; State vs. Anthony Polite, aggravated assault, $20 or three months; State vs. Charlton Washington, selling liquor in dry county, $25 or sixty days; State vs. Fletcher Watson, murder, life imprisonment; State vs. Dorsey Holmes, selling liquor in dry county, $50 or four months.

Owing to the increase in crime and the large number of cases on the docket, the term just closed has been naturally a very expensive one, having cost the county in the neighborhood of $8,600. State Attorney Calhoun has managed the affairs of the court in a very able manner and was complimented by the grand jury upon his industry and zeal in aiding the court.

PYTHIAS ELECTION.

The Alachua Knights of Pythias Elect Officers for Term.

Alachua, Dec. 9.—Thursday night the Knights of Pythias met in regular session at their hall, and election was held for officers for the ensuing semi-annual term, beginning January 1, 1906: E. E. Bell, C. C; R. G. Reaves, V. C.; N. Baldwin, Prelate; G. W. Rowland, M. of W.; W. T. Roberts, K. of R. & S.; J. W. Collins, M. of F.; H. N. LeRoy, M. of E.; W. H. Sealey, M. at A.; J. A. Williams, I. G.; J. L. Cloud, O. G; L. N. Pearce, Grand Rep.

The Knights here are among the most enthusiastic in the State, and their meetings are always a success. They meet every Thursday night and a sumptuous repast is always spread, and at the last meeting this rule was complied with in every respect. It was one of the happiest meetings for sometime, and all are glad that it came to pass.

BOTH FOOD AND MEDICINE.

We like best to call Scott's Emulsion a food-medicine. It is a term that aptly describes the character and action of our Emulsion. More than a medicine—more than a food, yet combining the vital principles of both. It is for this reason that Scott's Emulsion has a distinct and special value in all wasting diseases. There is nothing better to remedy the troubles of imperfect growth and delicate health in children. The action of Scott's Emulsion is just as effective in treating weakness and wasting in adults.

COMPLIMENT TO PEDRICK.

Received Inquiry Regarding His Goods from Madisonville, Ohio.

It seems peculiar that a manufacturer of vehicles in Gainesville should receive inquiry regarding his product from as far North as Ohio, but it is a fact. C. C. Pedrick, manufacturer of buggies, Saturday received a letter from C. W. Agin of Madisonville, Ohio, requesting Mr. Pedrick to send him a price-list of his line, as he desired to make a purchase. He also requested the freight rate from Gainesville to his town.

Mr. Agin stated in explanation that a friend of his had recommended Mr. Pedrick's buggies as being the best that could be put up, hence he desired to make the purchase from him.

For Lung Troubles

Ayer's Cherry Pectoral certainly cures hard coughs, hard colds, bronchitis, consumption. And it certainly strengthens weak throats and weak lungs. There can be no mistake about this. Your own doctor will say so. Just ask him about it, then do as he says.

We have no secrets! We publish the formulas of all our medicines. J. C. Ayer Co., Lowell, Mass.

COTTON GROWERS TO MEET IN ALACHUA

Will Organize Association in That Town Next Saturday.

FARMERS ARE DETERMINED

They Will Not Sell Cotton Next Year at a Price Less Than Actual Cost of Production, and Will Get Together and Establish a Price.

A meeting of the cotton growers of Alachua county has been called for Saturday, December 16th, at 11 o'clock, for the purpose of organizing a long cotton growers' association. The meeting will be held at Alachua, and inasmuch as this is a most important question, every planter is urgently requested to be present.

The planters have become tired of the ridiculous price which they have been offered for their cotton, in many instances being less than the actual cost of production, and they are determined to bring about a revolution in this direction, as they declare they cannot afford to raise cotton at the prices they have been compelled to sell for.

Some definite action will be taken at this meeting, and in future the buyers must either pay the price or do without the cotton.

ROBINSON AND CHUBB IN IT.

Appointments Made by President Roosevelt Approved by Them.

There is no doubt but that Hons. Walter G. Robinson, register, and Henry S. Chubb, receiver, of the United States land office are strictly "in the swim" when it comes to Republican politics in Florida. These gentlemen, besides holding official positions, are at the head of the Republican organization in this State and whatever recommendations they make command the attention of the department at Washington.

An Associated Press report from Washington under date of the 8th inst. bears information of several important appointments in Florida and adds that this may be considered a great victory for the organized party in the State, as there was organized opposition to the recommendations made by the Republican State executive committee.

Friends of Colonels Robinson and Chubb congratulate them upon their influence in the party.

A Slick Trio.

Deputy Sheriff C. J. Weaver of Ocala was in the city Saturday on official business. Mr. Weaver states that a few days ago three young white men came to Ocala, claiming that they were from the North, and desired to spend the winter there. They visited various boarding houses to secure rates, were shown through and promised to return. In the meantime it seems they located valuables about the respective places and at the opportune time made the raid, taking away a quantity of jewelry, etc. He was informed that they came to Gainesville, but an investigation showed that they had not been here.

Officer Weaver did not secure the names, which might have been a big help in foiling the alleged culprits. He describes all as being young, medium build, fair complexion and clean shaved.

This notice may serve to prevent others from loss in the same manner.

Failed.

All efforts have failed to find a better remedy for coughs, colds and lung troubles than Foley's Honey and Tar. It stops the cough, heals the lungs and prevents serious results from a cold. J. N. Patterson, Nashua, Iowa, writes: "Last winter I had a bad cold on my lungs and tried at least half a dozen advertised cough medicines and had treatment from two physicians without getting any benefit. A friend recommended Foley's Honey and Tar and two-thirds of a bottle cured me. I consider it the greatest cough and lung medicine in the world." J. W. McCollum & Company.

WORTHY OF ATTENTION.

The attention of The Sun's readers is called to a few additional "Don'ts" relating to woodlots, which it would be well for every owner of a farm in Florida to preserve, as they will prove of value in the years to come when the timber now being slaughtered will be in demand for many purposes on every farm:

Don't select the best trees in a woodlot which needs weeding. Nearly every woodlot is composed of a mixed stand in which dead and unsound trees, weed trees, and sound, useful trees are intermingled. If you select and use only the choicest living trees the stand will grow poorer instead of better and in time will become almost worthless. An improvement cutting, which even at a little cost removes the weed trees and those which are dead, crooked or otherwise of little worth, will give the remaining stand a clear start. The woodlot quickly responds to such treatment, improving vigorously under the new conditions. The larger yield of better quality in due time more than repays the labor.

Don't forget reproduction. In thinning your woodlot have an eye to the young growth. Spare it as much as you can in felling and hauling the logs. Give the seedlings the chance and they will seize it and grow into saplings and poles. Saplings and poles are already valuable and little later still are themselves grown trees.

Don't do all your cutting in one spot just because it is a trifle more convenient to do so. By taking a tree here and there where it can be best spared or is actually better down you will secure just as much wood and at the same time draw as lightly on your future supply. Where the stand is composed only of old trees you may of course often make clear cutting to advantage, especially where neighboring seed trees will reseed the opening to a new crop.

Don't let the carelessness of other persons do the damage to your woodlot by fire which you refrain from doing yourself. A fire in a neighboring field may creep into your woodlot and burn over it, scorching the trunks of the trees or even setting the crowns ablaze. It is worth while in the dangerous season to see that the borders of the woodlot are clear of inflammable material. Especially clear away the leaves so as to form a miniature fire lane about the forest. Forbid the careless use of matches and the building of camp fires, and see that your directions are obeyed.

Don't be in too great hurry to realize on your woodlot investment. Be satisfied with a permanent revenue, which is the interest on your forest capital. You may materially increase this interest by managing the woodlot itself so that the thinnings always bear a wise proportion to the yield. Meantime the steady rise in the value of all forest products will add little by little to the market value of your timber. Years hence, when you need it, the woodlot which has supplied you all along will in all probability bring you far more than at present. Or you may leave it to your children, who in turn will find it a most acceptable bank account.

Nobody except the dealers in that commodity is paying much attention to silver in these days. A few years ago the market price of silver could not go up or down a few points without the fact calling out long columns of political editorials and long political speeches; now the white metal can jump 25 per cent in two months without attracting any attention outside of market circles. As a matter of fact, the price has gone from 50 cents to 65 cents per ounce within the last two months. A commercial paper says in its financial department that this rise may have some effect on the Philippine currency, as the bullion value of the peso, which passes for 50 cents, is now 51½ cents.

The killing of Deputy Sheriff E. E. Johns of Nassau county is no doubt the result of an old grudge held against that officer by men who feared and hated him as an officer. Florida syrup is becoming so popular that there is a demand for it in every household. THE PEOPLE ALL

In Chorus Cried, Give Us Newbro's Herpicide.

This word of late has been in everyone's mouth, and many are wondering what the word signifies, though no one has yet been found, who will deny that NEWBRO'S HERPICIDE does the work. Well, for the information of thousands of people who like to know all about a good thing, we would say that HERPICIDE means, a destroyer or killer of "Herpes." Now "Herpes" is the family name of a disease caused by various vegetable parasites. A similar microbe causes dandruff, itching scalp, and falling hair; this is the microbe that NEWBRO'S HERPICIDE promptly destroys; after which the hair grows. Sold by leading druggists. The first requisite of beauty is a clear complexion. Orino Laxative Fruit Syrup clears a sallow, blotched complexion, as it stimulates the liver and bowels, and the eyes become bright and clear. You owe it to your friends to take it if your complexion is bad. Orino Laxative Fruit Syrup does not nauseate or gripe and it is very pleasant to take. Refuse substitutes. J. W. McCollum & Company.

BAGGAGEMASTER UNDER ARREST.

Held for Stealing a Valuable Trunk from a Baggage Car.

Atlanta, Dec. 9.—On the charge of having stolen a trunk belonging to a wealthy hardware merchant of Birmingham, and which contained some clothing and jewels worth about $1,400, M. A. Black, a baggage master on the Southern railroad, was arrested at Austell Thursday morning and brought to Atlanta and placed in the Tower.

The theft occurred last August. The owner of the trunk had returned from a trip to Europe, and passed through Atlanta enroute to Birmingham. The trunk left Atlanta in Black's car, but was missing after the train reached Birmingham. Since then efforts to locate the missing trunk were futile. A short while ago an overcoat which had been in the trunk was pawned in Atlanta, and this led to Black being suspected.

Black lefft Atlanta Wednesday night on a run to Birmingham, and a short while afterwards the railroad agent at Austell was 'phoned to have Black arrested and held.

The prisoner will be given a preliminary trial in a few days.

Grip Quickly Knocked Out.

"Some weeks ago during the severe winter weather both my wife and myself contrated severe colds which speedily developed into the worst kind of la grippe with all it miserable symptoms," says Mr. J. S. Egleston of Maple Landing, Iowa. "Knees and joints aching, muscles sore, head stopped up, eyes and nose running, with alternate spells of chills and fever. We began using Chamberlain's Cough Remedy, aiding the same with a dose of Chamberlain's Stomach and Liver Tablets, and by its liberal use soon completely knocked out the grip." These tablets promote a healthy action of the bowels, liver and kidneys which is always beneficial when the system is congested by a cold or attack of the grip. For sale by all druggists.

Construction gangs are now at work on the road, and the work will be pushed rapidly to completion.

LaGrippe and Pneumonia.

Pneumonia often follows lagrippe, but never follows the use of Foley's Honey and Tar. It cures lagrippe, coughs and prevents pneumonia and consumption. Ask for Foley's Honey and Tar and refuse any substitute offered. Mr. G. Vasher, 157 Osgood street, Chicago, writes: "My wife had a severe case of lagrippe three years ago and it left her with a terrible cough. She tried a bottle of Foley's Honey and Tar and it gave immediate relief. A 50-cent bottle cured her cough entirely." Refuse substitutes. J. W. McCollum & Company.

AMATEUR PUGILIST KILLED.

Opponent Is Arrested and Placed in Jail Charged with Murder.

Chicago, Dec. 9.—A dispatch to The Tribune from Yreka, Calif., says:

Jack McDonald, a laborer at Weed and champion of the locality, was killed in a fistic contest Wednesday night by H. G. Roberts.

The two men fought a ten-round bout for the gate receipts and a small purse. From the third round Roberts had everything his own way, but in the ninth round McDonald was all but gone. Roberts swung a vicious left to the back of McDonald's head, dropping him to the floor. McDonald did not regain consciouness, and he died yesterday.

The physicians pronounced death due to hemorrhage of the brain.

Roberts now is in jail, held for murder.

A Certain Cure for Croup.

When a child shows symptoms of croup there is no time to experiment with new remedies, no matter how highly they may be recommended. There is one preparation that can always be depended upon. It has been in use for many years and has never been known to fail, viz: Chamberlain's Cough Remedy. Mr. M. F. Compton of Market, Texas, says of it: "I have used Chamberlain's Cough Remedy in severe cases of croup with my children, and can truthfully say it always gives prompt relief." For sale by all druggists.

Timely Suggestions For Holiday Shoppers—Vanity Bags Completely Furnished—Increased Size In Shopping Bags—Smart Leather and Pigskir Gifts For Men.

By RENE DEVERAUX.

When one realizes that Christmas with its intervening crop of blizzards and snowstorms, is barely a month off it is none too early to begin thinking of the holidays. In fact, even New Yorkers, past masters in the art of "rushing," are already buzzing around the holiday displays like bees in a rose garden.

Each large department store has its own little wily methods to tempt the unwary to part with their money, and bypaths attractively festooned with Christmas decorations lure one to counters appropriately placarded "For Holiday Gifts." And indeed such counters are veritable treasure houses, where one finds unlimited suggestions, showing admirable forethought on the part of those who have the interest of their patrons at heart as well as their own.

In an exclusive shop in the vicinity of the Waldorf is an uncommonly attractive "Christmas bag display," around which at any hour of the day last week might have been seen a crush of fashionable shoppers three deep. Certainly the extraordinary possibilities of leather were most smartly emphasized here, the collection of bags being something to dream of.

In the construction and furnishings of this season's shopping and vanity bags

NOVELTIES IN VANITY BAGS AND MINIATURE OPERA GLASSES.

every whim of fastidious femininity has been anticipated, and not to the extent of a lot of space filling frippery, mark you, for each little accessory is of admirable workmanship and excellent material.

There were seen here a number of handsome bags of colored leathers—rich purples, wines and greens, brought out to match gowns of corresponding colors, but the ever elegant black with gold and gun metal mountings in all the smart new shapes were singled out among the others on account of their style.

A particularly handsome vanity bag was of black seal of generous proportions, conveniently fitted with strap handle, with purse pocket on the outside, and in individual pockets on the inside were a dainty pair of opera glasses, tiny powder puff and hand mirror, a pearl handled glove fastener and a charming little feather fan with tortoise shell sticks, the brown tipped feathers matching the shell sticks perfectly.

A pin seal bag was lined throughout with Dresden silk, with a suede lined center pocket for jewels. In this bag were a memo. pad and pencil, gold trimmed opera glasses and powder puff and mirror.

The newest shopping bags are enormous affairs, exceedingly handsome ones being of black walrus leather lined with black kid, the corners being protected by gold mountings. These are fitted with a small change purse and cardcase.

Miniature opera glasses which slip easily into the vest pocket are fast superseding the old style larger ones, but where the latter are carried there are many very lovely bags for such purposes. A charming opera bag is made of cloth of gold with gold filigree mountings, and bags of soft Dresden ribbons are as popular as ever.

Excellent soft leather and suede collar bags for men, just the right size to draw up over collars to be carried in the suit case, were among a number of smart leather and pigskin gifts for men—but this is another story, which will come later.

On the center counter of another shop were a number of exquisite shirt waist patterns, each folded and tied into a neat square box a trifle larger than a handkerchief box. These patterns were of new wash fabrics, smart blue and green checked madras, dainty snowdrop and fleur-de-lis designs and quaint figures, each box containing a waist pattern.

[Our readers may have any question concerning fashion or fabrics answered without charge by Rene Deveraux, the fashion expert, by addressing Rene Deveraux, P. O. Box 2089, Madison Square, New York, inclosing stamp for reply.]

Coughing Spell Caused Death.

"Harry Duckwell, aged 25 years, choked to death early yesterday morning at his home in the presence of his wife and child. He contracted a slight cold a few days ago and paid but little attention to it. Yesterday morning he was seized with a fit of coughing which continued for some time. His wife sent for a physician, but before he could arrive another coughing spell came on and Duckwell died from suffocation.—St. Louis Globe Democrat, December 1st, 1901." Ballard's Horehound Syrup would have saved him. 25c, 50c and $1. Sold by W. M. Johnson.

Millionaire Hermit Burned to Death.

Warsaw, N. Y., Dec. 9.—James Glottget, the hermit banker of Nunnitage, Wyoming county, was burned to death in his house, which burned to the ground. He was estimated to be worth a million dollars. He was a graduate of Yale college in the class of 1850. It is believed the fire caught the woodwork from an overheated stove.

Heart Fluttering.

Undigested food and gas in the stomach, located just below the heart, presses against it and causes heart palpitation. When your heart troubles you in that way take Herbine for a few days. You will soon be all right. 50c a bottle. Sold by W. M. Johnson.

CLAY AND BACON TO AID TATE.

Georgia Senators Say that Confirmation is Certain.

Washington, Dec. 9.—The Georgia senators are positive there will be no trouble in securing the confirmation of District Attorney Carter Tate and that without delay.

Senator Bacon is a member of the judiciary committee, before which the nomination goes, and he expects no trouble.

The probability is this nomination, with others from the department of justice, will be acted upon by the committee at its meeting next Monday. It is probable that the Republicans who are criticising the appointment of Democrats will center their opposition upon Franklin Lane for interstate commerce commissioner.

The Key That Unlocks the Door to Long Living.

The men of eighty-five and ninety years of age are not the rotund well fed, but thin, spare men who live on a slender diet. Be as careful as he will, however, a man past middle age will occasionally eat too much or of some article of food not suited to his constitution, and will need a dose of Chamberlain's Stomach and Liver Tablets to cleanse and invigorate his stomach and regulate his liver and bowels. When this is done there is no reason why the average man should not live to old age. For sale by all druggists.

Two Shooting Affairs at Stillmore.

Stillmore, Ga., Dec. 9.—A drunken negro named Thompson became involved in a dispute with Deputy Marshal E. H. Milner, which resulted in Milner shooting the negro through the thigh, after the negro had made an unsuccessful attempt to hit Milner with brass knucks. The negro will recover. Joe Lindler, a white man, and Richard Ellis, a negro, had a dispute. Lindler snapped his pistol trice at the negro, but the pistol failed to fire The negro, Ellis, fired five times at Lindler, but failed to hit him. One of the bullets went wild and hit E. F. Howard's boy in the knee, making a very painful wound.

Remarkable Cure.

"I was much afflicted with sciatica," writes Ed C. Nud, Iowaville, Sedgwick Co., Kan., "going about on crutches and suffering a deal of pain. I was induced to try Ballard's Snow Liniment, which relieved me. I used three 50c bottles. It is the greatest liniment I ever used. Have recommended it to a number of persons. All express themselves as being benefited by it. I now walk without crutches, able to perform a great deal of light labor on the farm." 25c, 50c and $1. Sold by W. M. Johnson.

Does Not Affect New Jersey.

Brunswick, N. J., Dec. 9.—The new ruling of the Pennsylvania and other railways cutting off all passes will have little effect within the limits of New Jersey, in the opinion of an attorney of this city. In New Jersey the right to ride free over all roads is given to any army or state official. This right, however, is limited to the traveling made necessary in the discharge of their official duties.

Doctors Could Not Help Her.

"I had kidney trouble for years," writes Mrs. Raymond Conner of Shelton, Wash., "and the doctors could not help me. I tried Foley's Kidney Cure and the very first dose gave me relief and I am now cured. I cannot say too much for Foley's Kidney Cure." It makes the diseased kidneys sound so they will eleminate the poisons from the blood. Unless they do this good health is impossible. J. W. McCollum & Co.

Keep Your Head Clear

And your stomach free from Indigestion if you would be happy with your family and your fellow-man.

The surest thing on earth to get a man's system "out of whack" is heavy, soggy bread, which is caused by several reasons: First, the material may not be good; second, the cooking may be poor. The best flour in the world will make the heaviest bread if improperly mixed or cooked. WE USE THE BEST FLOUR and our "long suit" is knowing how to mix and bake it. Our bread does not cost any more than home-made, and in many instances it is so much more palatable.
